1.1.1 Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words					
<p>Planning and implementation of the curriculum by the college is done most effectively by introducing students and stakeholders first to the larger mission and the wider vision that defines the particular purpose which the college stands for and seeks to promote. The objective of the college is to fulfil what it has envisaged by providing quality education which will enable students to become educated, responsible citizens and realise their position in the society as independent person. The use of learner-centric methods are meticulously planned; academic calendars, teaching modules are framed to ensure that lectures are of high quality and meet the time schedule.</p> <p>The college follows a well-structured procedure in order to ensure effective delivery of the curriculum designed by the University of Kalyani. The final academic plan is incorporated into the academic calendar which is based on the academic calendar provided by the University and is then circulated to all the stakeholders. The academic plan is prepared by taking inputs from all the faculty. This plan is prepared by having discussions in the IQAC, and procedural academic sub-committee meeting held in the beginning of each session. The heads of the departments distribute the syllabi among their faculty members and monitors the implementation and progress of the academic plan. The feedback is taken from all the stakeholders regarding the curriculum implementation of previous year and later it is incorporated into the academic plan. Feedback from the students is also taken by the HODs in the course of delivery of the curriculum. If a faculty fails to finish his/her syllabi within the stipulated time, extra classes are arranged for him by the respective departments for the benefits of the students. Describe at least two institutional best practices Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link						
<b><u>Best Practice -1 :</u></b>						
<b><u>Students Mentoring System</u></b>						
<b>OBJECTIVE OF THE PRACTICE:</b> The goal is to establish a relationship of trust between the Mentor and the Mentee and to help the mentees attain their aims.						
<b>CONTEXT:</b> The students are assigned to faculty mentors from their first year. Mentors create a better environment for their mentees and the mentees can approach their mentors for educational, personal guidance and knowledge enhancement.						

**PRACTICE:** The mentors closely monitor their mentees performance and provide an ongoing support. They also provide awareness and guidance about competitive examinations and courses required for placements. A mentor encourages the students for pursuing higher studies and encourages entrepreneurship. Frequent counselling sessions help the student in expressing their opinions and problems with ease. Counselling is done after tests and after the University exam Results.

**EVIDENCE OF SUCCESS:** The evidence of success is the percentage of students passed in the session 2014-15. After implementing the practice there is an increase in the Pass percentage.

**PROBLEM ENCOUNTERED AND RESOURCES REQUIRED:** In some circumstances, an introvert student might not be able to express. In the absence of a mentor for a short period of time, the duties are handed over to another faculty and informed to the respective students. To make the mentoring system effective, training is imparted to faculty on counselling and handling the students.

### **Best Practice-2:**

#### **National Cadet Corps**

##### **Goal :**

NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service among the young students. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. It also motivates the young students to join armed forces.

##### **The Context :**

Untoward situations never come with prior notice. We need to stay alert for any kind of situations let it be disaster management. We need to step in it and every different issue has different tempos and crisis. NCC as practiced in Berhampore College is all about rising to the occasion and be prepared to face problematic situations at a very short notice. In preparing the students to join the NCC motivating them to take up the rigors of this corps for the good of the society and themselves is one of the major challenges.

##### **The Practice :**

1. Celebration of Independence Day-15.08.2014.
2. Celebration of Republic Day- 26.01.2015.
3. Celebration of International Language Day-21.02.2015.

##### **Evidence of Success :**

The NCC has been imparting training to the corps. Many of the corps have appeared for the B certificate and C certificate examinations.

##### **Problems Encountered and Resources Required :**

The primary limitation for NCC is the limited budget. So, there is a financial constraint. Structurally NCC is an elaborate system and needs to be handled accordingly. Maintenance of records , registers stock and other official documents with such minimum infrastructure becomes difficult.NCC suffers from a limited supply of uniform of proper size along with DMS, drill and march past shoe. Economically backward cadets cannot afford these expenses or do so with great difficulty.
