Report on the Orientation Program on “Youth Reporters”

Title of the Programme: Orientation Program on “Youth Reporters”

Organized by: Career Counseling Cell, Berhampore College in Collaboration with IMAGIN

Speakers: Soma Maity (Chairperson, IMAGIN), Anirban Dey (Coordinator, IMAGIN), Niladri Biswas (Member, IMAGIN) and Utpal Maitra (Advisor, IMAGIN)

Venue: Berhampore College Auditorium

Date: 30 July 2026

The Career Counselling Cell of Berhampore College, in collaboration with IMAGIN, successfully organized an Orientation Program on "Youth Reporters" on 30 July 2026 for the students of the college. Around 154 students from different departments actively participated in the programme.

The primary objective of the orientation was to introduce students to the concept of Community Youth Reporting and to encourage them to become responsible storytellers who can raise awareness about social issues and contribute to community development through ethical journalism and digital media. The resource person from IMAGIN explained the importance of youth participation in media and highlighted how young reporters can play a significant role in promoting positive social change.

During the interactive session, students were introduced to various aspects of youth reporting, including journalism, news writing, fact-checking, interviewing techniques, anchoring and news presentation, camera handling, voice-over skills, digital content creation, visual storytelling, and environmental journalism. The speakers emphasized the importance of ethical reporting, effective communication, creativity, and the responsible use of digital platforms. Real-life examples and practical demonstrations made the session engaging and informative.

The participants showed great enthusiasm throughout the programme by actively interacting with the resource persons and asking questions about career opportunities in media, communication, and digital content creation. The session inspired students to develop confidence, leadership qualities, critical thinking, and social responsibility while using media as a tool for community engagement.
